

# IQBAL ABDULAZIZ BUKHARI

PROFESSOR & CONSULTANT DERMATOLOGIST

## Personal Data

Nationality | Saudi  
Date of Birth | 10 July 1963  
Department | Dermatology  
Official UoD Email | ibukhari@uod.edu.sa  
Office Phone No. |

## Language Proficiency

Language	Read	Write	Speak
Arabic	Fluent	Fluent	Fluent
English	Fluent	Fluent	Fluent
Others			

## Academic Qualifications (Beginning with the most recent)

Date	Academic Degree	Place of Issue	Address
2013	Certificate of added qualification in cosmetic and laser procedures	USA	Florida, USA
2004	American Board of Laser Surgery in Dermatology	USA	Florida, USA
1994	KFU Fellowship in Dermatology	College of Medicine, King Faisal University	Dammam, Saudi Arabia
1989	MBBS	College of Medicine, King Faisal University	Dammam, Saudi Arabia

## Professional Record: (Beginning with the most recent)

Job Rank	Place and Address of Work	Date
Consultant Dermatologist	Dermatology Department, King Fahd Hospital of the University, Al-Khobar, Saudi Arabia	23 November 1997 up to
Senior Registrar	Dermatology Department, College of Medicine, KFU, Dammam and King Fahd Hospital of the University, Al-Khobar, Saudi Arabia	April 1994 to 22 November 1997
Internship (House Officer)	King Fahad Hospital of the University, Al-Khobar, Saudi Arabia	20 May 1988 to 19 May 1989

### Administrative Positions Held: (Beginning with the most recent)

Administrative Position	Office	Date
Professor, Consultant Dermatologist	Dermatology Department, College of Medicine, University of Dammam,, Dammam, Saudi Arabia	19 April, 2011 up to date
Associate Professor, Consultant Dermatologist	Dermatology Department, College of Medicine, King Faisal University (KFU), Dammam, Saudi Arabia	31 May 2006 up to 18 April 2011
Assistant Professor, Consultant Dermatologist	Dermatology Department, College of Medicine, King Faisal University (KFU), Dammam, Saudi Arabia	27 November 2001 to 30 May 2006
Demonstrator	Dermatology Department, College of Medicine, KFU, Dammam, Saudi Arabia	3 July 1989 to 26 November 2001

### Scientific Achievements

#### Published Refereed Scientific Researches

(In Chronological Order Beginning with the Most Recent)

#	Name of Investigator(s)	Research Title	Publisher and Date of Publication
1.	Bukhari I, Alaa Alayoubi , Muhannad Alzahrani	Miliaria pustulosa misdiagnosed as a case of acne vulgaris	Our Dermatol Online Journal 2016;7(4):448-450.
2.	Iqbal A. Bukhari, Abdulaziz Al Zahrani	Hidradenitis suppurativa successfully treated with Adalimumab	Journal of Experimental Dermatology 2016;25(S2):13.
3.	Iqbal Bukhari	Interesting Pediatric Dermatology cases from the Department of Dermatology at King Fahd Hospital of the University	Journal of Clinical Case Report 2016;6(2 Suppl): 38
4.	Salem Al Gaadi , Sara Al Godayan , Iqbal Bukhari	Lipedematous scalp: Case report and review of the literature	Our Dermatol Online Journal. 2016;7(2):198-200.
5.	Iqbal A. Bukhari, Abdulaziz Al Zahrani,	Hidradenitis suppurativa successfully treated with Adalimumab	Scientific Journal «ScienceRise»2015; 10/3(15):37-41.
6.	Iqbal Bukhari	Preface in the special issue of the Health science Journal	Journal of Health Science 2015, 5(3A)
7.	Iqbal A. Bukhari,, Fatmah Al Bader, Abdulaziz Al Zahrani	Lichen Planus Pigmentosus Inversus	Journal of Health Science 2015, 5(3A): 2-5

#	Name of Investigator(s)	Research Title	Publisher and Date of Publication

#### Membership of Scientific and Professional Societies and Organizations

- Saudi Society of Dermatology and Dermatology Surgery
- American Academy of Dermatology
- European Academy of Dermatology and Venereology
- American Society for Laser Medicine and Surgery
- International Academy of Cosmetic Dermatology
- Women's Dermatology Society of USA
- The International Society of Dermatopathology

### Teaching Activities

#### Undergraduate

#	Course/Rotation Title	No./Code	Extent of Contribution (no. of lectures/Tutorials. Or labs, Clinics)
1	Parallel program (Dermatology)		
2	5th Year Dermatology Course (MDDE 504):	0668-493	
3	Nursing Course (MDNU 461)		
4	Integrated Health Science Course (MIDIN 453)		

#### Brief Description of Undergraduate Courses Taught: (Course Title – Code: Description)

1	Participation in teaching the dermatology course for parallel medicine students during 2009.
2	MDDE 504: It is a 3-credit hour course that extends over 11 weeks period and is offered to the 5th year medical students for three rotations per semester. The course concerns with dermatological problems, their management and follow-up including history taking, diagnosis and treatment. During the clinical rotations of

	this course, tutorials are provided to ensure that the students will be exposed to all skin diseases
3	MDNU 461: Two-hour dermatology lecture in family and community health nursing given once in a year.
4	MIDIN 453: Six-credit hour course extending over 6 weeks offered to fourth year medical students. The course promotes adaptation of holistic approach to medical education and it is mainly student-centered collaborative learning

### Postgraduate

#	Course/Rotation Title	No./Code	Extent of Contribution (no. of lectures/Tutorials. Or labs, Clinics)
	UOD Fellowship Program		
	Saudi Board of Dermatology		

### Brief Description of Postgraduate Courses Taught: (Course Title – Code: Description)

1	Active participation in the residency training program of dermatology for King Faisal University Fellowship. This program is a 4-year residency. Certified candidates are considered equivalent to those who hold other postgraduate degrees. The program is divided into four levels with a 17-week rotation: <b>Level I</b> (40 weeks and allocated 30 credit hours) MDDE 811: An introduction to the principles and practice of dermatology. MDDE 812: Genodermatoses and developmental anomalies of the skin. MDDE 813: Biology and pathology of epidermal keratinocytic and melanocytic systems. MDDE 814: Biology and pathology of epidermal appendages. <b>Level II</b> (23 weeks and allocated 17 credit hours) MDDE 821: Eczemas, reactions to drugs and physical agents, vascular disorders. MDDE 822: Cutaneous infections. <b>Level III</b> (18 weeks and allocated 13.5 credit hours) MDDE 831: Lichen planus, Lichenoid eruptions and Vesiculobullous dermatoses. MDDE 832: Disorders of the corium and subcutaneous tissue. MDDE 833: The skin and systemic diseases. <b>Level IV</b> (42 weeks and allocated 3. credit hours) MDDE 841: Proliferative and neoplastic diseases of the skin. MDDE 842: Sexually transmitted diseases. MDDE 843: Electives (2 months). MDDE 844: Dissertation in dermatology
2	Active participation in the teaching of dermatopathology for postgraduate students in the Saudi Board (Saudi Specialty Certificate in Dermatology).
3	Active participation in teaching of the rotating residents from the Family and Community Medicine Department (FAMCO).

### Supervision of Master and/or PhD Thesis

#	Degree Type	Title	Institution	Date
1	KFU Fellowship Program	Prevalence and pattern of skin disorders among female school children in Al-Khobar,	King Faisal University College of Medicine Department of Dermatology	2004

		Saudi Arabia by Wafa Al-Saeed,		
2	KFU Fellowship Program	Clinical study of Tinea Capitis at King Fahd Hospital of the University in Al-Khobar, Saudi Arabia." By Maha Al-Dayel	King Faisal University College of Medicine Department of Dermatology	2003

### Administrative Responsibilities, Committee and Community Service

(Beginning with the most recent)

#### Administrative Responsibilities

#	From	To	Position	Organization
1	April 2012	April 2014	Chairperson	Department of Dermatology King Fahd Hospital of the University Al-Khobar, Saudi Arabia
2	April 2011	up to date	Chairperson	Local committee of Saudi Board of Dermatology Specialty in the Easter Province of Saudi Arabia
3	2006		Postgraduate Coordinator	Department of Dermatology King Fahd Hospital of the University Al-Khobar, Saudi Arabia
4	1996 2005 2006		Admission exams for Medical College of King Faisal University	King Faisal University College of Medicine
5	2003	up to date	Supervisor of Phototherapy Units	Department of Dermatology King Fahd Hospital of the University Al-Khobar, Saudi Arabia
6	2002	up to date	Supervisor of Laser machines and patient monitoring	Department of Dermatology King Fahd Hospital of the University Al-Khobar, Saudi Arabia

#### Committee Membership

#	From	To	Position	Organization
1	2005		Member	Charity Committee in Dammam بالدمام الخيرية البر جمعية
2	2003		Member	Nutrition Services Committee
