

**STANDING COMMITTEE FOR RESEARCH ETHICS ON LIVING
CREATURES APPROVED PROJECTS 2017**

Fifty Third Meeting

| البند Item | ايرب IRB # | الباحث الرئيس PI | الكلية College | القسم Dep | عنوان البحث Title of Project | مدة البحث (شهور) Duration |
|---------------|------------------|--------------------------------|-------------------|-------------------|--|------------------------------|
| 1 | IRB -2017-01-050 | Dr. Manal Ahmed Hasan | Medicine | Internal Medicine | The Clinical Expression of Behcet's disease: Experience form the Eastern region in Saudi Arabia | One Year |
| 2 | IRB -2017-01-052 | Dr. SaimaNazishNisar | Medicine | Neurology | A comparison of electrophysiologic severity of Carpal Tunnel Syndrome in metabolic syndrome patients and non metabolic syndrome diabetic patients. A hospital based study in Saudi population. | One Year |
| 3 | IRB -2017-01-053 | Dr. Sadat Ali | Medicine | Orthopedic | HIP fracture Accelerated surgical TreatTment And Care track (HIP ATTACK) Trial | One Year |
| 4 | IRB -2017-01-054 | Dr. Mohammed AlShahrani | Medicine | Emergency | Severe Sepsis and Septic Shock Patients Admitted to Intensive Care in Saudi Arabia, the First Registry Database. | One Year |
| 5 | IRB -2017-01-055 | Dr. Mohammed AlShahrani | Medicine | Emergency | Prevalence of Violence towards Health Care Workers in Emergency Departments: A National Survey | One Year |
| 6 | IRB -2017-01-057 | Dr. Mohammed AlShahrani | Medicine | Emergency | Determinants of Antimicrobial use and de-Escalation in critical care (DIANA study). | Six Months |
| 7 | IRB -2017-01-060 | Dr. Mohammed Aljumaan | Medicine | Emergency | Knowledge Of Secondary Prevention Of Cardiac Disease Among Eastern Province Of Saudi Arabia Physicians | Six Months |
| 8 | IRB -2017-02-062 | Dr. MAhmad Al-Thobity | Dentistry | PDS | In vivo assessment of PMMA/ nanocomposites biocompatibility as a proposed approach for treatment and prevention of denture stomatitis | Eight Months |

| البند Item | ايرب IRB # | الباحث الرئيس PI | الكلية College | القسم Dep | عنوان البحث Title of Project | مدة البحث (شهور) Duration |
|---------------|---------------------|---|--------------------------|------------------------|---|------------------------------|
| 9 | IRB -2017-03-064 | Dr. Walaa Elsayed | Applied Medical Sciences | Physical Therapy | Investigation of different protocols utilized for instrumented assessment of plantarflexion muscular performance. | One Year |
| 10 | IRB -2017-03-065 | Dr. EnasAlanany | Applied Medical Sciences | Physical Therapy | Impact of body weight on shifting of foot pressure among adult subjects | One Year |
| 11 | IRB-UGS-2017-03-067 | Supervisor Dr. Mona Al-Qahtani | Public Health | HIMT | Social media in healthcare: opportunities and challenges in eastern province of Saudi Arabia | Eight Months |
| 12 | IRB-UGS-2017-03-068 | Supervisor Dr. SulaimanBah | Public Health | HMIT | The Effect of Anthropometrics and Other Factors on the Readmission rate of Diabetic Patients at King Fahd University Hospital from 2015 to 2016 | Six Months |
| 13 | IRB-PGS-2017-04-069 | Postgraduate Student / Alanoud Aldossary | Nursing | Nursing Education | The Effect Of Early Initiation Of Breastfeeding After Birth On The Duration of Separation and Expulsion Of Placenta | Six Months |
| 14 | IRB-PGS-2017-04-070 | Postgraduate Student / Abrar Aldossary | Nursing | Critical Care Nursing | Assessment of procedural pain in critically ill patients on mechanical ventilator. | Six Months |
| 15 | IRB-PGS-2017-04-071 | Postgraduate Student / Khadija Aljrrayy | Nursing | Fundamental of Nursing | Nurses' Perceptions & Practices Towards Delirium in the Intensive Care Units (ICUs) | Six Months |
| 16 | IRB-PGS-2017-04-072 | Postgraduate Student / Fatemah Al Sumali | Nursing | Nursing Education | Quality of Life for Children with Sickle Cell Anemia from 8-12 Years Old in Relation to Their Healthy Age Mate | Six Months |
| 17 | IRB-PGS-2017-04-073 | Postgraduate Student / Fatimah Almarzooq | Nursing | Critical Care Nursing | The Impact of hypocaloric feeding and energy balance on clinical outcome in intensive care unit patients | Six Months |

| البند Item | ايرب IRB # | الباحث الرئيس PI | الكلية College | القسم Dep | عنوان البحث Title of Project | مدة البحث (شهور) Duration |
|---------------|---------------------|---|---------------------------------------|---------------------------------------|--|------------------------------|
| 18 | IRB-PGS-2017-04-074 | Postgraduate Student / MaramAlghamdi | Nursing | Nursing | Assessment of the Intensive Care Nurses knowledge and Practices for Eye Care for Sedative and Mechanically Ventilated Patients in Intensive Care Units in Saudi Arabia | Six Months |
| 19 | IRB-PGS-2017-04-075 | Postgraduate Student / Yousef Alhassan | Nursing | Fundamental of Nursing | Critical Care Nurses Awareness toward Prevention of Pressure Ulcer in Critical Care Units | Six Months |
| 20 | IRB-PGS-2017-10-076 | Postgraduate Student / Haifa Alkhaldi | Sciences | Biology | Comparative Anatomical Study Of The Hand And Fingerprint Between Two Mammalian Species And The Human | Eight Months |
| 21 | IRB -2017-01-077 | Dr. Hassan Al-Saleem | Medicine | Surgery | Jejunojejunal Intussusception and massive lower gastrointestinal bleeding in a young Patient: rare presentation of Jejunal Gastrointestinal Stromal Tumor. Case report and literature review | Six Months |
| 22 | IRB -2017-01-078 | Dr. Hassan Al-Saleem | Medicine | Surgery | Inguinal Hernia Incidence of recurrence: single center experience | Six Months |
| 23 | IRB -2017-03-079 | Dr. Amani Owaidah | Applied Medical Sciences | Clinical Laboratory | Estimation of human induced pluripotent stem cell clones required to cover the needs of alloimmunized patients for in vitro red cell production | Two Years |
| 24 | IRB -2017-15-080 | Dr. Bassam Al Shorman | Applied Studies and Community Service | Applied Studies and Community Service | Attitudes of the Faculty Members and the Students at the University of Dammam towards Using the Blackboard in Teaching | One Year |

| البند Item | ايرب IRB # | الباحث الرئيس PI | الكلية College | القسم Dep | عنوان البحث Title of Project | مدة البحث (شهور) Duration |
|---------------|---------------------|---|--------------------------------|--------------------------------------|--|------------------------------|
| 25 | IRB-PGS-2017-10-082 | Postgraduate Student / DhaifallahAlsuhaymi | Education Dammam | Curricula and Teaching Methods | Understanding Factors that Influence Imam Abdulrahman Bin Faisal Faculty Members' Intentions to Adopt Social Media in their Academic Practices | One Year |
| 26 | IRB-UGS-2017-03-085 | Supervisor Dr. Zaher Mohammed | Applied Medical Sciences | Clinical Nutrition | The Relationship Between Fish and Seafood Consumption and Diabetes Among Adults in Eastern Province, Kingdom of Saudi Arabia. | Nine Months |
